Now's the perfect time to save when you purchase a Drees quick move-in or build-to-order home! During our **Spice Up Your Home Sales Event**, you could make great upgrades for less; including hardwood floors, premium countertops or custom trim for your walls from the Drees Design Center. Love to entertain? You could upgrade your patio to make it an amazing outdoor space. If you're ready to buy now, you could also save on your monthly payments with flexible financing when you finance with First Equity Mortgage. See a Drees Market Manager for more details.*

Don't wait, these incentives only last until ***November 22, 2026.***

Drees CUSTOM HOMES®

*Incentives on structural options, design center selections and flexible financing are available for a limited time and are subject to change, modification or cancellation without notice. Amount of savings on design selections, structural options and flexible financing vary by community, and floorplan. Flexible financing incentives are available only to qualified buyers who obtain financing through First Equity Mortgage and are subject to credit approval. Not all buyers will qualify. See a Drees Market Manager for complete details, eligibility requirements and applicable terms and conditions.
