*The Generac generator promotion is valid on firm, non-contingent built-to-order purchase agreements accepted by Drees Custom Homes in the Houston area between July 7 - November 30, 2025. Instead of a Generac generator, buyer may substitute up to \$20,000 towards flexible financing or Drees Design Center credit. Buyer will receive an additional \$10,000 in financing when closing their mortgage with First Equity Mortgage, Inc. This incentive may not be combined with any other promotion. See a Drees Market Manager for more details.
