Receive a special low mortgage interest rate (i.e., a rate buydown) from builder when you purchase an eligible Tri Pointe Homes Houston home for list price at one of our participating new home communities and finance the purchase of your new home through our affiliated mortgage company, Tri Pointe Connect*. Please contact our New Home Specialists or visit one of our New Home Galleries to learn which homes are eligible for the rate buydown incentive, while supplies last. To receive the rate buydown incentive, you must enter into a purchase agreement for an eligible home between 8/19/25 and 9/15/25, and close within 60 days of purchase or by 10/30/25, whichever is sooner. Incentive not available on existing contracts. Certain loan programs may not qualify for the full rate incentive. The value of rate incentive may vary, may not be applied to the purchase price of the home, and is subject to a cap. Rate incentive does not include the payment of prepaid taxes, property or mortgage insurance, or mortgage installments. Any unused portion will be forfeited. Rate incentive will be applied at closing. May not be exchanged, redeemed in cash, or combined with other offers. Additional conditions or restrictions apply. Federal and state taxes, if any, are the responsibility of the recipient. Void where prohibited. This is not an offer to lend. Rates effective 8/15/2025 and are based on a 60-day rate lock for conventional financing. Comparative "Market Rate" versus "Promotional Event" loan scenarios assume an owner-occupied purchase with a \$600,000 purchase price, loan amount of \$540,000, \$60,000 down payment and a 740 credit score. Market Rate Scenario assumes a rate of 6.625% (7.057% APR) for conventional 30-year fixed financing, with a monthly P&I payment of \$3,457.68 and \$5,400.00 in points and fees. Promotional Event Scenario assumes an initial rate of 5.125% (6.676% APR) for 7-year Adjustable Rate Mortgage (ARM) financing, with an initial monthly P&I payment of \$2,940.23 and \$16,200 in points and fees (paid by builder). The rate may adjust after 84 months with up to a 5% maximum initial adjustment and every 6 months thereafter with up to a 1% maximum adjustment each subsequent adjustment period. The fully indexed rate is 7.092% and the maximum interest rate is 10.125% (6.676% APR) which would yield a monthly P&I payment of \$4,788.84. All P&I payments exclude taxes, insurance, HOA and other fees, so the actual monthly payment obligations will be greater. You are responsible for paying, and will not receive any refund for, closing costs incurred if the loan does not close and/or is not funded through Tri Pointe Connect for any reason. Locking your interest rate does not guarantee that your new home will complete by the expiration of the interest rate lock period. Rates, terms, and availability of programs are subject to change without notice. Additional terms may apply. Not all applicants will qualify. Available on select homesites only. May not be available at time of loan commitment or closing. Tri Pointe Connect, LLC (NMLS ID 1250459)/Licensed by the TX Department of Savings and Mortgage Lending, Licensed as a Mortgage Company).
