SELL MORE. WIN BIG. STAY POWERED.

REALTORS!

You could win a 24kW Generac
Natural Gas Generator + Full Installation
*(Valued at \$25,000)**

HERE'S HOW IT WORKS:

- ◆ Offer available **June 1 - August 31, 2025**
- ◆ Sell a single-family **new build home** in Houston to receive an automatic entry to win
- ◆ More sales = more entries!
- ◆ Winner will be drawn after the promotion ends**

*Highland does not provide any warranty (electrical or otherwise) on the installation, service, maintenance, and/or performance of the Generac generator; the only warranty provided on the generator comes directly from the manufacturer's warranty provided by Generac. The Realtor's home must meet Generac's installation requirements to be installed. Highland Homes will provide the generator and cover up to \$5,000 of installation costs; the realtor will be responsible for any additional installation costs above that \$5,000. Promotion cannot be combined with any other offer and cannot be redeemed for cash value. Exclusions may apply. All rights reserved.

**Each Texas licensed Realtor who sells a new build home (excluding townhome products) in Houston participating communities between on or after June 1, 2025, and on or before August 31, 2025, will be entered in the drawing to win a Generac Generator. The Realtor will receive one (1) additional entry for each additional qualifying new build sale. The odds of winning a generator and accompanying installation are based on the total number of qualified entries received by Highland Homes. The recipient of the Generac Generator and installation will require a Realtor to complete a W-9 and receive a 1099. The winner will be notified after August 31, 2025 via phone call and email. See the Sales Counselor for any questions or further details. All rights reserved.
